Sir:

The undersigned, a representative authorized to sign on behalf of the assignee owning all of the interest in this patent, hereby revokes all previous powers of attorney or authorization of agent granted in this application before the date of execution hereof.

The undersigned verifies that Afton Chemical Intangibles LLC is the assignee of the entire right, title, and interest in the patent application identified above by virtue of either: (a) an assignment from the inventor(s) of the patent application identified above, which was recorded in the U.S. Patent and trademark Office at Reel \_\_\_\_, Frame \_\_\_\_; or (b) a chain of title from the inventor(s) of the patent application identified above to the current assignee identified above that is from the inventors to Ethyl Corporation based on a document recorded in the U.S. Patent and Trademark Office at Reel 012700, Frame 0675, and from Ethyl Corporation to the current assignee identified above based on a document recorded in the U.S. Patent and Trademark Office at Reel 016301, Frame 0175. The undersigned certifies that the evidentiary documents have been reviewed and to the best of the undersigned's knowledge and belief, title is in the assignee.

The undersigned hereby grants its power of attorney to the patent practitioners associated with Customer Number 65297, both jointly and severally as its attorneys with full power of substitution and revocation to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, and to receive the Letters Patent.
